LIBERTY LOAN DAY IN CATHOLIC CHURCH

The following message was received this morning by Father Dias by wire from Bishop Glass at Salt Lake City:

Rev. T. Dias, Tonopah, Nevada: Sunday, June 3, is Liberty Loan Sunday. Urge our Catholic people to buy Liberty Bonds. Our beloved country needs every man's service and the helplessness every citizen can render. We cannot be loyal to God if we fail in our duty to our country and, if sacrifice is necessary, it is our joy to know that our great and wonderful country is worthy of our sacrifices.

"JOSEPH S. GLASS,
"Bishop of Salt Lake."

LADIES CERTIFIED FOR FIRST AID

CLASS OF THIRTY-FIVE TAKES TRAINING FOR FIRST-AID WORK IN MINES

Before the ladies adjourned they presented their instructor, Mr. Pyne, with a pair of solid gold cuff links set with diamonds. The presentation was made by Mrs. Thomas Landsborough.

Mr. Steidle in charge of the car states that he is highly pleased with the attention the ladies of Tonopah have shown to this part of the work of Car 1, and particularly those trained by the crew of Car 1. Car 1 will make yearly visits to Tonopah. Its headquarters is Reno, Nevada, and anyone could feel free to write the car in case they have any questions regarding the work. IMPRISONMENT PROVIDED FOR HOARDING FOOD

(By Associated Press.)
WASHINGTON, D. C., June 2.—Hoarding, storage or destruction of food, fuel or other necessities of life to limit supply or affect prices would be a felony under an amendment to the government's first food bill adopted in the senate without a record vote.

AMUSEMENTS

BUTLER THEATER

"The Price She Paid," with Clara Kimball Young as the star, will be shown at the Butler this evening. This photodrama of the life of a beautiful young society woman is from the immensely popular novel by David Graham Phillips. It outlines the problem in the life of a young woman, used to luxurious surroundings, who finds herself almost without resources. After a disastrous marriage she determines to become an opera singer, and the difficulties she encounters from a series of scenes of unusual interest. How she finally reaches independence and freedom is a fascinating story. This picture, which occupies nearly two hours screen time, is the third big production in which Miss Young has appeared at the head of her own company, and is said to be her masterpiece. A message to all women says Miss Young: "There is more in 'The Price She Paid,' than a mere evening's entertainment. The story of Mildred Gower might be the story of any woman, and I hope it will not be looked upon simply as a delightful romance, but will be taken to heart by every woman who sees it." Tomorrow, Marie Doro in "Oliver Twist."

LIBERTY THEATRE

Dorothy Dalton in "Chicken Casey," a five-reel Triangle release. This play has to do with the adventures of an actress who plays a clever trick on a young author to convince him that she is fitted for a role which she desires. It is necessary for the accomplishment of her purpose that she disguise herself as a girl of the slums and undergo a series of startling adventures. "A Grab Bag Bride," a Keystone comedy, always good. "The Motor Car in Defense of the Nation," the picture that was to have been shown here on May 30 but did not arrive, will be shown today. Every auto owner should see this picture, especially at this time, when at almost any minute you may be called upon to lend your assistance in defense of our country. This picture has been received through the Tonopah Auto Supply company, and is put out by the Dodge people. The diamond ring will be given away during the first show, so be on hand early. This big mixed program for the same prices.

Tomorrow: Here is the biggest picture of them all, "The Americano" in which Douglas Fairbanks does a lot of his most wonderful acting. "Heart Strategy," another Keystone comedy which is a scream. Remember, we have our big suction fan in place and carpenters are putting in new ventilators, so pay us a visit.

NEW BOY IN FAMILY

Last night at 10 o'clock a new boy arrived at the home of Mr. and Mrs. John Repcha, and the boys of the Halifax are enjoying smokes on the old man. This makes the second in the family, the first born being a girl. Dr. McLeod says the mother is improving and the child is as hearty as a baby could be.

BIG ROW ON FOR RICH GOLD FIND

RECEIVER APPOINTED TO TAKE CARE OF THE RICHEST ORE KNOWN IN NEVADA

On application of Chris Regenovich the district court last evening appointed a receiver for the property at Goldyke that sprang into national prominence over night. The court listened to the statement of the petitioner and then named J. Grant Crumley receiver, and authorized him to take steps to protect the gold prospect that has such phenomenal values that it is estimated that over \$5000 has been carried away in the course of three days by specimen hunters. The ground is claimed by Bernard Eastman under a bill of sale from Regenovich issued May 26th for which a consideration of \$12,000 was paid. The locator avers that he owned the property on which the strike was made since 1906 and that he expended \$10,000 in keeping up his title. The strike was made about the center of the group of 4 1/2 claims, and it is admitted that Michael Sullivan made the find but that he knew at the time that he was on another man's ground. The gloryhole is only 53 feet from the discovery shaft.

The contested ground is on the southern slope of Paradise mountain, three miles from Atwood and part of the district lies within the Indian reservation which was found out when a saloon man came in with a motor truck loaded with wet goods and found that he had to move off.

Yesterday the ground was visited by over 100 people and, when a Tonopah car left there last night there were over 40 autos at the strike. The ledge has been proven to a depth which shows the ore body in formation with a talc cleavage wall. The locations of Regenovich were recorded as Keystones 1, 2, 3 and 4, while the Sullivan crowd located under the name of the War Eagles.
